

Due to the nature of the program, it is imperative that students have a desire to work with numbers while learning difficult and intricate mathematic skills.

For students who do not have a strong background in mathematics, it is still possible to become engaged in accounting. The certificate degree in accounting will provide you with all necessary skills to continue your education in this vibrant and opportunity filled area.

Schools That Offer Associate in Accounting

The University of San Francisco — a premier Jesuit university — is a reflection of the inclusive, inspirational, innovative city that surrounds it. We provide students from all backgrounds an education that is intensely personal and intellectually demanding.

Preparing students for professional and personal success is what Berkeley College is all about. From career-focused degree and certificate programs offered in some of today's most in-demand professions to extensive support resources, YOU are at the center of everything we do at Berkeley. Berkeley College offers career-focused programs, supportive professors with real-world industry knowledge, hands-on learning through our internship program, and a variety of supplemental programs and activities.

Building on Purdue's mission to provide greater access to affordable, world-class education, Purdue University Global delivers a highly personalized online experience tailored for working adults. By opening the doors to adults who need flexibility to fit learning into their busy lives, we make it possible to achieve a high-quality education from the prestigious Purdue University system—from anywhere in the world.

Southern New Hampshire University is a private, nonprofit, accredited institution with more than 3,000 on campus students, over 170,000 online students, making it one of the fastest growing universities in the nation. Since its founding in 1932, the University has transformed from a school of accounting and secretarial science into an institution offering over 200 programs, from certificates to doctoral level degrees including business, education, liberal arts, social sciences and STEM.
