

A bachelor's degree program is an undergraduate program that usually takes four years to complete. Enrolling in a bachelor's degree program requires that students choose a major area of study, such as finance, history, communications or biology.

A Bachelor of Arts in Digital Photography provides a strong footing in the technical skills of digital camera operation, lighting and post-production image editing while refining your visual literacy and laying a foundation in the humanities.

### **Schools That Offer Associate in Accounting**

South College uses the learning management system Moodle to support the delivery of hybrid and online learning programs and courses. Online learning classes are driven by student learning outcomes and designed using sound pedagogical principles in online teaching, learning and assessment.
